Thanks for Coming! Feedback Needed.

Greetings!

A huge thank you to everyone who made PNSQC 2015 happen! We could not have done this without you.

We need your feedback
We can only keep improving PNSQC with your help. Tell us what you liked, what trends you want to learn more about, what needs improving, and anything else on your mind. Fill out the conference survey using the app or desktop site by Oct. 31, and **you have a chance to win a $100 Amazon gift card**, too.

Be on the lookout
There have been so many great talks this week, and we will send out links to slide decks and the keynote and invited speakers' videos in November.

Join the community
We welcome newcomers to contact us about getting more involved in helping organize the conference. If you're interested in joining a committee or volunteering on-site at PNSQC 2016, let us know!

A Different Type of Documentation
Check out the #PNSQC hashtag on Twitter and on Instagram to see what attendees have been posting. If you have been taking photos of the conference and want to share them with other attendees, do it!

Thank you again for a great conference!
